Vows, oaths and swearings are promises or pledges made (James 5:12). Have you any knowledge of vows or oaths at work in your life, past or present? This includes words spoken by you. Example: "I'll never be/do that when I'm a mother/father."

Judgments are negative conclusions about a person that are projected into his future. Usually these are precipitated by the person's condition or performance (Matthew 18:18). Do you know of any made against you or by you, past or present? Example: "You are stupid. You are lazy. You never do anything right."
